

Handmade custom tiles for kitchens are a specialty at *Earthsongs*

From realistic murals from your own photographs to abstract imagery incorporating impressions of personal objects, ceramic tiles add a rich earthiness and beauty to any space.

The artist will be happy to develop samples that work with your decor and your dreams.

To schedule a visit to the studio or to request the artist to visit your home:

Earthsongs is a fine art ceramic studio creating custom tiles, sculpture, and murals for residential and commercial spaces. Established by Linda Vonderschmidt-Lastella and Nino Pasqual Lastella in 1993, the studio is located in the heart of a small town, Metuchen, NJ. The studio has created sculptural tile murals throughout the U.S. and abroad. References are available upon request.
